TAKE SOME CREDIT AND HELP MIAMI SCHOOLS

Did you know state law allows you to get a tax credit up to $200 for single filers and $400 for married filers for contributions to a public school designated for extracurricular activities? This means taxpayers may help Miami Schools and reduce their state tax bill at the same time. Please see your tax advisor for specific tax advice.

How is the money used?

Tutoring for students
Field trips to fine arts events, museums, the zoo, science centers and more
Overnight trips for the fine arts programs, science programs, etc.
Athletic programs such as football, volleyball, tennis, basketball, baseball, wrestling, softball, cheer, etc.

Who can take advantage of this opportunity?

Anyone who pays Arizona State income tax can do this.

How can I help a school?

Complete the form below and return to the school of your choice.
The school will issue a tax credit receipt to you.
Claim the tax credit when filing your 2020 Arizona State Income Tax.

Can I receive a refund of these credits?

No refunds are allowed. Please review Arizona Department of Revenue Publication 707 or consult with your tax advisor prior to making Tax Credit contributions.

IF YOU MUST PAY TAXES ANYWAY,
WHY NOT HELP STUDENTS AT THE SAME TIME?
$$$
