Counseling Corner

- The third pillar of Red Shoe Living developed by Lonnie Mayne is that EVERYONE HAS A STORY. Asking the question, "What is your story?" helps us to look at life through another person's eyes. We can learn so much from sharing experiences. We learn to give people the benefit of the doubt, and allow others the moment to not be perfect. We can personally strive to do better and remember that we are human and will make mistakes. Developing compassion leads us toward being non-judgmental.
