August 2018

Dear Mile Tree Families,

Summer greetings! I hope this letter finds you and your family well and enjoying the last couple weeks of summer. As we turn the page of the calendar to August, we are reminded that the start of the school year is just around the corner. With this in mind, I would like to share with you some important information relative to the beginning of school.

First of all, I want to welcome all of you to the 2018-2019 school year! I'd like to extend a special welcome to our new families. We are delighted you are joining the Mile Tree family. Mile Tree is a very special place. Our teachers and staff are caring, innovative, and always learning something new for the benefit of your children. We are a collaborative group of educators who strive to have our students reach their highest potential while keeping a close eye on their developmental needs.

I am happy to let you know that we will have seven kindergarten and seven first grade classes this year. With this in mind, I am delighted to welcome new staff members. Sara Wright joined us late in the year last year and will have her own first grade classroom this year. Along with Sara, I am pleased to announce that Maura Maybury is also joining us as a first grade teacher. Both teachers have years of experience and are very excited to join the Mile Tree family. I also want to let you know that Ellen Rolandini is moving back to where she started at Mile Tree and will be teaching kindergarten this year.

I'd like to call to your attention the enclosed car drop off/pick up information as it is changing this year. After many conversations with parents, staff and the community we are going to tweak our procedure to ensure everyone's safety. Please let me know if you have any questions once you have read the information.

As always, please don't hesitate to reach out to me with any questions, concerns or ideas you would like to share. Great schools are built on strong relationships with students, staff and families.

I hope you enjoy these last couple weeks of summer doing fun things with the ones you love! I am very much looking forward to an awesome year!

Be well,

Joanne Wilson
