

INCLEMENT **WEATHER** NOTIFICATIONS

When bad weather hits Yakima, we know that our families and staff are anxiously waiting to hear what our district and schools have planned. If we make a change from our normal operations, we will post information on these platforms (in this order) by 6:00 a.m.

Our first step in communicating is to send an announcement to all local media channels using FlashAlert

A mass-message will be sent to families by text, email, mobile app and automated phone messaging. These messages are sent in a cascading fashion, meaning some families will receive messages before others.
