## 2018 ARTS FESTIVAL

The Tiffin City Schools Art Department invites all friends and family of TCS to the 2018 Arts Festival. This annual event showcases the works of students in kindergarten through high school, and will be held on Friday, April 20, from 6:30-9:00 p.m., and on Sunday, April 22, from 12:00-3:00 p.m., at Columbian High School. Admission is free.

Our students have been working hard all year to present a varied and creative art event that features painting, drawing, ceramics, sculpture, and much more. A highlight on Friday evening will be a performance by the Noble 4/5 Choir, at 8:30 PM. Students with work on display will receive letters to inform parents and family. Please join us in celebrating the work of our talented young artists!

## HUMAN GROWTH AND DEVELOPMENT

During the months of April and May, the Human Growth and Development unit of the Health Course of Study will be taught to all students in the Tiffin City Schools. An informational letter describing the contents of the course has been distributed to each parent. If you have any questions about this health course, please feel free to contact your child's teacher or the school office.

## KINDERGARTEN REGISTRATION

The Tiffin City School District is seeking enrollment information for girls and boys registering for the 2018-2019 school year. All kindergarten classes will be held at Washington K-1 School located at 151 Elmer Street. Any child residing in the Tiffin City School District who will be five years of age by August 1, 2018, is eligible to enroll. Ohio law requires kindergarten attendance prior to enrollment in first grade.

To register your child, you may contact Washington K-1 by calling 419-447-1072. Pre-kindergarten screening will be held May 8, 9, and 10, 2018, for children enrolling next fall. All parents and guardians of registered children will be informed by letter in mid-April as to the date and time of the screenings.

## 2018-19 SCHOOL YEAR

Some parents like to request a specific teacher for their child for the upcoming school year. There are many factors that must be considered for students when placing teachers before any request can be examined. We do not guarantee that any request will be fulfilled. This year we are introducing a form to be filled out by parents when requesting a teacher. This form will give us additional information as to why you are requesting a specific teacher and what specific traits you may be looking for. This information will help us place your child with the teacher who is the best fit possible, which may or may not be the teacher you requested. If interested in filling out the flyer, you may request one from your child's current teacher or call the main office at 419-447-1566 to have one sent home. To have your form considered, we MUST have them returned by Friday, April 20.
