Great CA Shakeout/ Earthquake Drill

Thursday, October 17th at 9:00 a.m.

TM

At Centralia Elementary School District, we are dedicated to safety by practicing for major disasters. On Thursday, Oct. 17th at approximately 9am, all Centralia District schools will join millions of Californians in “Drop, Cover, and Hold On” during The Great California Shake Out, the state’s largest earthquake drill.

WHEN THE DRILL BEGINS, EVERYONE ON CAMPUS WILL BE PARTICIPATING, THEREFORE, OFFICE STAFF WILL NOT BE ABLE TO ANSWER YOUR CALLS DURING THE DURATION OF THE DRILL.

The main goal of participating in the ShakeOut is to get our students and staff prepared for major earthquakes. If you have any questions, please contact your child’s school or the Parent and Student Engagement Department at 714-228-3141. Thank you for your support and cooperation.
