Dear Prospective Families:

I thank you for your interest in our school. Ferrahian High School provides a safe college prep environment, which promotes exceptional academic, extra-curricular, athletic and social opportunities.

Our school has been educating our Armenian youth for the past 56 years with thousands of alumni success stories. We are committed to educating students to be well-rounded individuals, where emphasis is placed on not only building a solid academic foundation, but also helping students become pillars of the community.

We pledge to work with you to help your child grow into a student who is proud of his/her Armenian identity, culture and Christian faith, and who is equipped with tools to be successful in future academic endeavors and the world beyond the classroom. In addition, we offer a rigorous and rich curriculum, which includes numerous high school AP courses, exposure to art, computer education, vocal music, physical education, and co-curricular activities, such as Model UN, science fair, history fair, speech, and oratory competitions, just to name a few. Students have the opportunity to participate in various clubs, as well.

Our highly qualified faculty and staff are committed to providing our students with enriching opportunities both inside and outside of the classroom. We invite and encourage students and parents to work in partnership with us to seize opportunities in all facets of our program --- academics, athletics, & co-curricular activities.

Again, we welcome you to the Ferrahian Family and to our wonderful learning community. A place alive with much energy, enthusiasm, and a high standard of excellence! We look forward to working together to make our school, "The BEST Place to Be...."

Sincerely,

Sossi Shanlian
High School Principal
