DONNA G. KINARD – PRINCIPAL

Welcome to Varnville Elementary School and the 2015-2016 school year!

The administration and staff would like to take this opportunity to welcome you to Varnville Elementary. We value the support of our parents, faculty, and community partners as we work together to provide a safe, challenging environment where students are actively involved in developing skills needed in an ever-changing world. Working together we can create an atmosphere that allows our teachers to teach and our students to eagerly learn.

We are extremely proud to send you our PARENT HANDBOOK/STUDENT PLANNER; the BEARBOOK. The information in the BEARBOOK has been prepared as a means of letting you know our school's policies and procedures. Parental support and encouragement are vital in helping us attain our goal of providing a quality education through an effective school. Communication and cooperation between the home and the school plays a major role in achieving this goal.

Please read the BEARBOOK in its entirety. This BEARBOOK will be used everyday as a means of keeping you informed about school and the teacher informed about home. Please ask your child to see his/her BEARBOOK everyday. Check your child's homework page daily and feel free to write any comments on that page. Sign the BEARBOOK daily even if the child has no homework. This will let the teacher know that you have checked it.

We look forward to serving you and your child throughout the coming year. We are excited about working cooperatively with you and having you participate in the many activities that we have planned for this year. If we may be of service, please come by or contact us at 943-2376.

Committed to excellence,

Donna G. Kinard and VES Faculty/Staff

There will be many pages that you will need to sign and return to school. These pages are not attached to the BEARBOOK but can be found inside the BEARBOOK or in a folder sent by the teacher. Please send them back tomorrow.
