We are very excited to have two new energetic and student centered employees from Ascension Health with us full time at the Ascension School-Based Health Center located at the high school. Mary Loria is our new Behavioral Health Specialist, and Kathy Bond is our new Nurse Practitioner. Both of these ladies are spending time getting to know our students at the high school during lunch, passing time, and throughout the day. The clinic’s hours of operation are 8:00 a.m. to 4:30 p.m. Monday – Friday, closed on weekends and holidays.

Renovations are in the works in an area that will be the permanent location of the clinic, but Mary and Kathy are currently in a temporary location in the high school. We are writing grants and working hard to raise money to renovate a large space in the high school that will have a private entry door from the outside. The clinic will also need private examination rooms, a lab, a private bathroom, a reception area, etc. Please visit our website or click on the blue oval to see how you can become a donor and help us bring this desperately needed work so that our Ascension group can meet with our children in a private and appropriate space. Thank you to Binsons’ Medical Equipment & Supplies for being our first Gold Sponsor, and to the Kaltz and Pauling families for being our first Silver Sponsors. We hope to have an online donation option available soon.

**Medical Services**
The health center, when fully operational, will offer various medical and mental health services to all of our students at every grade level, including the following:

- General health assessments
- Immunizations
- Sports physicals
- Laboratory and diagnostic testing
- Dental, vision, and hearing screening
- Nutritional counseling
- Specialist referrals
- Counseling services
- Individual and group counseling
- Family counseling
- Substance abuse
- Behavioral modification
- Gynecological exams and pap smears
- Pregnancy testing
- Sexually transmitted disease testing, treatment and counseling

The Health Center will also offer, through our partnerships, vision exams and glasses and dental exams, including cleanings and restorative care (extractions, fillings).

Please pass along the information to others that you feel would be interested in investing in our new health clinic. Thank you for being a vital and active part of making Center Line Public Schools better for our students.
The mission of Center Line Public Schools is to provide all students relevant and challenging learning experiences to inspire success and empower them to be leaders of tomorrow.

Center Line Public Schools is always striving to enhance the curriculum to provide our students with relevant skills for their futures. I am excited to announce two new opportunities that will be available for our students in the fall of 2020, thanks to several grants that we have received.

Our elementary technology classes will now include an Acellus STEM Lab! Each elementary will receive 7 pods, 21 robots, 200 licenses, and training through a $130,000 Acellus grant. Acellus STEM-10 is a major initiative engineered to significantly increase the number of students prepared for high-tech careers right out of high school. The STEM coursework offers a cohesive multi-year program that will add complexity each year and then connect to career and technical fields of interests for students. Starting in upper elementary, students will learn the fundamentals of coding and programming. The Acellus Coding course gives step-by-step video instruction – posing problems which students experiment to solve – first mentally, next in simulation, and then in a real-world application, programming their own robots. The program has opportunities for growth and utilization so that we can continue to build our PreK – 12th grade comprehensive curriculum.

At Wolfe, we currently offer introductory and underwater robotics courses. This fall, students will also have the option of taking advanced robotics and programming with new metal Vex robots, taking their learning to a new level. These kits are designed specifically for middle and high school levels and will provide a great transition to our robotics programs at the high school. The equipment for this class will be funded through the Marshall Plan Grant awarded to us last year.

Our Graduate Profile is our guiding light, and learning needs to be rich with collaboration, communication, critical thinking, and leadership experiences. Every student deserves these opportunities, and CLPS continuously looks for ways to make them happen.

Continuous Improvement with Visible Learning!

Our school improvement teams continued to collaborate last week, under the guidance of Karen Flories from Visible Learning, to build clarity around learning intentions and success criteria, making learning visible to our students.
Darrell Vickers

Treasurer Darrell Vickers was first elected in May 2007; his current term ends December 31, 2020.

Darrell and his wife Cheryl have three children and have lived in the district for seventeen years. Their children are graduates of Center Line High School; daughter Nicole, Class of 2007, son Darrell, Class of 2010, and daughter Amber, Class of 2013. Darrell and his wife are proud grandparents to four wonderful grandchildren. The oldest is attending Center Line Public Schools. The Vickers family is very active in community needs programs and helps supply dinners to hundreds of people every month through their church. Darrell has served on the Bid Opening, District Safety, Sites and Facilities, Community Service, and Finance Committees. He is a Certified Board Member through the Michigan Association of School Boards (MASB).

Superintendent Search

Due to the impending retirement of Superintendent Kaltz, the Board of Education with the assistance of the Michigan Association of School Boards (MASB) is beginning the process of hiring a new superintendent. In these preliminary stages, staff and the community are invited to share input on what they feel are the qualities, experiences, and skills needed in the new superintendent. In later stages, the Board will review applicants and interview qualified candidates during open Board meetings. A timeline will be shared as it is developed along with other pertinent information. The new superintendent is expected to be in place by July 1, 2020.

Greg Sieszputowski, Director of Leadership Development and Executive Search Services at MASB, will be facilitating conversations in the district to give the community opportunity for input. CLPS stakeholder groups and interested parties are invited to share their perspectives. Meetings will be held at the administration building’s Board Room at 26400 Arsenal at the following times:

<table>

School of Choice Opens MONDAY!

Do you know any students who would like to attend Center Line Public Schools but don’t live in the district? The school district will be accepting limited School of Choice applications for grades 1 through 12 (Macomb County residents only) from March 2 - March 31, 2020 (4:00pm). Applications will be available during that period of time; you can pick up a copy from our administration building or on our website to return to our administration building at 26400 Arsenal with the required documentation before the March 31, 4:00pm deadline. Spread the news!

Counting Beans

The freshmen seminar classes were given "income" of 20 beans and had to debate where they would spend their income on typical budget costs. Real world math and real world problems—addressed every day.

Senior Awarded Scholarship

Gabriel Ohngren was one of 80 applicants selected out of 3800 students to receive the Central Michigan Leadership Scholarship totaling $8,000. Gabriel was also offered a spot in the CMU Leadership Institute. Congrats, Gabe!
Spelling Champs
A Wolfetastic congratulations to the 2020 Wolfe Middle School Spelling Bee Champion...sixth grader Kelsey Locke. We are so proud of you, Kelsey! Kelsey will compete in the Macomb Regional Spelling Bee on Sunday, March 1st. We wish you the best of luck and thank you for representing Wolfe! Additional kudos to our seventh grade champion Zaelin Pratt and 8th grade champion Skylar Keyes.

What’s Up at Wolfe

Roose Roundup
Read, Read, Read!
Kindergarten and 1st grade students spend time each week in Reading Workshop. It is important to create reading opportunities for children outside of school. Today’s readers are tomorrow’s leaders!

ELL Night
Elementary English Learners and their families learned strategies they can practice at home to improve their literacy skills. Families also took home many helpful resources and materials. It was a great night!
Peck Points

Hall of Fame!

Shafa, Kalleigh, and Lyla are in the Hall of Fame for their outstanding work on creating their own colony.

- Shafa says, "We were learning about the 13 colonies, and we had to create our own. We had to learn how people survived. We did journals! And there were cards for things that could happen to us. And we had to write down what we would do, like if our cows got lost!"
- Kalleigh says, "This is our mission statement. We wanted to be a friendly colony, like sharing money."
- Lyla says, "We talked about what food we had in the area. We were a middle colony, so we set up by Lake Erie so we had fresh water to drink. We ate deer and cows....and we had lots of chickens!"

McKenzie and Anna are in the Hall of Fame for their fantastic work in math.

- Anna says, "We were doing a post-test with adding and a little subtracting."
- McKenzie explains that it is important for people learn to add and subtract "so people know what to do when they get older and so they can get better and better,"
- Anna wisely adds, "And that's the most important thing ever—to get better and better!" We agree, Anna!

Safety Patrol in 1976-77

Safety patrol 2019-20: Still protecting and serving!

The kids were just so proud of their landforms project!
On Wednesday, March 11, 2020 from 7:00pm to 4:00pm, families can register their children for kindergarten for fall 2020 at the Early Childhood Center! To complete the registration process, bring an updated copy of your mortgage/lease, a current bill, and the parent’s driver’s license. School of Choice applications are available on clps.org now or can be completed at the registration event. Developmental Kindergarten is also offered as an option!

Each registered child will receive a prize and an invitation to our “Explore the World of Kindergarten” night in May! Please call Sarah Ogden at 586.510.2043 or Jan Fix at 586.510.2040 with any questions.

First graders are learning how to ask questions based on prior knowledge and text features.
Music, dancing, food & fun!

**SENIOR Prom**

An event for our local senior citizens!

**Friday, March 13, 2020**

4:00-7:00 pm

Center Line High School Cafeteria

26300 Arsenal Street, Center Line, MI 48035

For questions or to RSVP, contact Sue Pauling at 586-510-2004 or paulings@clps.org.

Transportation may be available through Center Line Parks & Rec. Reservations required.

---

**Center Line Moms’ & Dads’ Club**

invites you to the

47th Annual Spaghetti Dinner

“All You Can Eat”

(gluten free & meatless options available)

**Sunday**

March 8, 2020

12:00pm to 6:00pm

Center Line High School Cafeteria

26300 Arsenal Avenue

5 & Under = Free

6-11 & Senior Citizens = $6.00

12 & over = $8.00

Plus bake sale featuring treats made by students & parents, 50/50 raffle, Instant Lottery Board Raffle, music from our Jazz Band, and great food!

CLHS is hosting a free community Open Swim on Sunday, March 8, 2020 from noon – 4 pm. Bring your family out for some fun in the high school pool and stop by the Spaghetti Dinner Fundraiser to enjoy a meal with your family and friends.

---

**Calling All Bakers!**

We are in need of tasty treats to sell at the Center Line High School Moms’ & Dads’ Club 47th Annual Spaghetti Dinner Bake Sale on Sunday, March 8, 2020. We are looking for donations such as cookies, cupcakes, dipped pretzels, lemon bars, banana bread, pies, cakes and more to display and sell at our bake sale. The profits from this sale, as well as the profits from the entire Spaghetti Dinner, go into the general fund of the Moms’ & Dads’ Club that benefits all academic, arts & athletic programs at Center Line High School.

Please drop off your items (in the cafeteria) on Sunday, March 8th between 8am – 11am.

If you need to drop your items off before that, please contact Michelle Iero at mainclhs@aol.com

Thank you for sharing your yummy treats and supporting the students of Center Line High School!
