Indicators Assessed

Objectives Planned For

Monitor (updates made)

A1.07 - Spirit Week was a success. We ended the week with the Smokehouse/Fire Safety. Bus behavior has improved.

A4.01 - We are still continuing to look at student data. Mrs. Lakey is going to a MTSS meeting in November. During our SST meetings, each teacher can discuss two students. If they need to discuss more than two, Mrs. Lakey will schedule an additional meeting to ensure that there is enough time to

discuss each student properly.

B1.03 - We are continuing to put minutes into NCSTAR. We are also continuing to meet in PLC's on Day 4 of the six-day rotation.

B3.03 - Walkthroughs are continuing to be done. The walkthrough instrument looks for learning targets posted, which part of GRR is happening at that time, and also has a comment box for specific comments.

C2.01 - We have an upcoming GRR PD after school. PLC teams are looking at Check-In data.

E1.06 - Every grade level sent out a newsletter that was posted on the JES PTO Facebook page and sent home with students if needed for the month of November. Parent conferences were a success.

VII. Other Business

Action Taken:

- 1. There is a possibility of having an innovative calendar for next year.**
- 2. A letter will be sent home to parents soon about the possibility of moving 6th grade to the middle school next year.**
