**INTERSCHOLASTIC PARTICIPATION FORM**  
**(Must be dated April 1 or after for current school year – no exceptions!)**

**Note to parents of students participating in athletics at St. Michael's High School.**

St. Michael's High School strives to provide the best possible athletic programs for its students. It wants athletic participation to be a valuable educational experience at all levels. You are requested to read the following carefully and thoroughly, discuss its contents with your child, and present it to your family physician/doctor of osteopathy/physician's assistant/nurse practitioner for his or her approval. This form is to be fully completed BEFORE your child will be allowed to practice and/or compete. This form should be completed only for those students who are planning to participate in interscholastic athletics at any level. We require this physical examination to insure that your child is physically able to participate in athletics and in the event that an accident should occur, that we may notify you in a relatively short period of time.

1. **PARENTAL CONSENT:** We want to be sure that you consent to your child's participation in interscholastic athletics. Therefore, it is necessary that you and your child carefully read and understand the contents of this form along with the expectations of the sport.
2. **MEDICAL HISTORY AND EXAMINATION:** This questionnaire provides a means for the physician/doctor of osteopathy/physician's assistant/nurse practitioner to make reference to previous injury, illness or congenital disorder and also to provide the best possible physical exam for the student athlete.
3. **MEDICAL AUTHORIZATION:** This section provides information to the school for quick reference regarding notification in an emergency situation. Also, it authorizes medical attention in the event parents cannot be reached.
4. **INSURANCE:** The financial responsibility for securing care of athletic injuries is a matter between the parent/guardian and physician/doctor of osteopathy/physician's assistant/nurse practitioner or dentist of the parent's/guardian's selection. It is because of this that St. Michael's High School must have on file the insurance your family has to cover your child in case of an accident. St. Michael's High School offers Student Accident insurance through Myers-Stevens Toohey and Company. This policy is 24-hour coverage. You may wish to enroll in this through the school, at a cost to your family. This is strictly on a voluntary basis and is not required if you have sufficient coverage through your own family medical plan. We must have either a form asking for our own school policy or the name of the company through which you are insured.
5. **ELIGIBILITY:** Rules governing eligibility are determined by St. Michael's High School and the New Mexico Activities Association.
