

## WeTip's School Safety Program

WeTip's School Safety Program offers the WeTip anonymous hotline to students and their families. WeTip's hotline is a way for people to get involved in establishing a safer community. Students are often afraid to report crime information because they fear reprisal from the person they are reporting. WeTip gives students and their families an opportunity to give information without fear.

When you call the WeTip hotline, the first words you will hear from the operator will be, "This is the WeTip crimeline, please do not give your name." The operator will then ask a series of questions, designed by law enforcement, to obtain the maximum amount of information about the reported crime.

WeTip information is immediately conveyed to the appropriate police, fire, and sheriff's agencies.

After the information is taken, if the informant requests a reward, a code name and number are assigned to the informant. The caller always remains absolutely anonymous (not just confidential).

Cash rewards of up to \$1000 are given upon verified reports from law enforcement that WeTip information was received prior to arrest and that the information was helpful in the arrest and conviction.

The reward drop is made at a designated postal location, using the assigned code names and case numbers. No personal contact is ever made with the informant.

You can call this number 24 hours a day and  
Report your concerns to us.

No one will ask your name, you will remain anonymous.

## Programa de Seguridad Escolar de We Tip

El programa de seguridad escolar de We Tip ofrece mantener en anonimato a los estudiantes y sus familias. We Tip es una línea directa para que los ciudadanos se involucren en establecer una comunidad segura. Los estudiantes temen reportar cualquier crimen por miedo a represalias. We Tip les ofrece la oportunidad de reportar todo tipo de información sin miedo.

Cuando llame a We Tip la operadora contestará: "Por favor no diga su nombre." La operadora seguirá haciendo una serie de preguntas diseñadas por las autoridades para obtener la máxima información sobre el crimen.

La información que se obtiene se entrega inmediatamente a las autoridades correspondientes.

Una vez que se recibe la información, si el informante desea una recompensa, se le asigna un nombre ficticio y un número de caso. El informante permanecerá en absoluto anonimato (no solamente en forma confidencial).

Podría ser elegible para una recompensa de hasta \$1,000.00 si su información lleva a un arresto y convicción.

La recompensa se paga en cualquier oficina postal designada por el departamento de arrestos, usando el nombre ficticio y su número de caso. En ningún momento habrá contacto personal con el informante.

Puede llamar las 24 horas del día y  
hacer su reporte.

Nadie preguntará su nombre, se mantendrá en anonimato.

Dear Parent,

The WeTip National School Safety hotline program is pleased to welcome you as a new WeTip member. We believe that students and their families are empowered by the WeTip program to keep their schools and communities' safe and crime free. WeTip has provided the nation's only totally anonymous, neutral third party, crime hotline to schools for the past 33 years.

WeTip's School Safety Program is a joint involvement of law enforcement, students and their families and school staff members. All are committed to providing a safer living environment for students and their families nationwide.

The schools lose hundreds of thousands of dollars each year due to vandalism, graffiti, theft, violence and other crimes. School officials and law enforcement have teamed up with WeTip, the nationwide crime-fighting organization.

The WeTip School Safety Program has proven to be extremely effective in reducing calls for police service at schools that are involved in the program. Many schools have experienced a significant decrease in crime incidents and law enforcement calls in the time that the program has been implemented.

As the School Safety Program continues to expand nationwide, our hope is that families will have a safer environment to live and raise their children.

As a WeTip member, your school has obtained a tool, which has been serving communities since 1972. It will enable you to effectively combat school crimes, violent crimes, child abductions, bullying, vandalism arson, graffiti and property destruction by using the WeTip anonymous hotline system 1-800-78-CRIME. The WeTip hotline system is online 24 hours a day, 365 days a year with 60 trained operators taking anonymous tips and relaying that information immediately to school officials and local law enforcement officers. This program provides the necessary tools to create a pro-active crime abatement program in your community.
