RE: Special Education Services Available to Private School Children
with Disabilities

Roane County Schools' Special Education Department holds a yearly meeting in the month of June each school year at the Edward E. Williams Education Building (Roane County Board of Education). This meeting is held in order to provide an opportunity to discuss services that may be provided by Roane County Schools to private school children with disabilities.

If you have questions prior to this yearly meeting, please feel free to contact my office at 865-717-5461 or 865-717-5462.

Private Schools - Please remember to share this information with your Roane County homeschool students.
