**Dear Parent(s)/Guardian(s):**

On behalf of the Board of Education, I want to thank our RBUSD families for their patience and flexibility in the weeks ahead.

We know that this change isn't easy for our students or families. I can assure you that all RBUSD staff, regardless of title or position, have worked tirelessly to plan, communicate, and prepare for a new instructional program for our students while they are home. We have worked in this community to make RBUSD "great" and this is our time to show that we are a team. There's a reason I am proud to also be a parent in this school district. I ask for your positive support of our staff and students as we move to a new normal. We are available to you, and will continue to communicate and update you as we move forward. As a reminder, meals will be available to students Monday-Friday from 8:00 a.m. to 10:00 a.m. at Adams Middle School until Friday, April 3, 2020.

Let's be kind and understanding of one another, and please let us know if you need anything.

Sincerely,

Steven E. Keller, Ed.D.
