

# Zion's Prayer Page

February 3-February 9, 2019

---

**Sunday** Give thanks to the Lord for His blessings of warmth, shelter, and safety during the past week of extreme cold. Pray that He may use us to generously give to those in need of these basic human needs.

**Monday** Zion has many boards that oversee the work of our congregation and the various mission aspects of our life together. One such group is the **Board of Education** for Zion Lutheran School and Preschool, who meets tonight. Pray that God continue to bless their work as they review the current year and prepare for years to come!

**Tuesday** **Noreen Shambo** fell about a week ago and broke her ankle, requiring surgery. Pray that the surgery would go well and that God would grant a good and speedy recovery.

**Wednesday** National Lutheran Schools Week concluded a week ago, but it is still a good opportunity to give thanks to God for the ministry of **Faith Lutheran High School** and to ask God to bless congregational delegates and board members with His wisdom and guidance as they contemplate the 2019-2020 school year.

**Thursday** **Carol Carr** had surgery last Wednesday. Pray that God would grant a good recovery and return to pain-free activity in the days and weeks ahead.

**Friday** **Zion Lutheran School** is sponsoring their annual Trivia Night tonight from 7-9 p.m. Ask God to bless those who come with a time of fellowship and togetherness, and give thanks for opportunities to support our **teachers** and their professional development.

**Saturday** Pastor Schulz, who is preaching tonight and helping Zion while we search for an associate pastor, is also providing administration and guidance for **St. John's, Woodstock** as they seek a new pastor. Pray for our brothers and sisters at St. John's, that God would continue to use their congregation to share His love there!
