

Student Health Advisory Committee

SHAC Board Report

May 8, 2018

- Covered updates to FMNV guidelines as set by the Texas Department of Agriculture.
- Reviewed FFA (Local) Wellness Policy to ensure we continue to meet the State and Federal guidelines
- Elementary and Junior High continue to utilize the CATCH program as a Coordinated School Health Program (CSHP)
- All three campuses continue to Participate in the Physical Fitness Assessments (Fitnessgram) according to current guidelines.
- Trained district faculty and staff on Food Allergy Management Plan/Anaphylaxis Shock Procedures and Blood Borne Pathogens
- Trained key faculty members in CPR and AED procedures
- Participated in the TRS Sponsored health challenge
- Recommended the Purchase of New AED's for the district
- Campuses actively seek out joint opportunities with local agencies to provide healthy lifestyle choices.
