

St. Francis of Assisi School
Holiday Scrip Donations

The holiday season is upon us, and we are filled with the spirit of giving. We encourage our children to be thinking more about what they can give this Christmas season instead of what they want to receive. One way for each of our families to help the children focus on giving is to share the magic of Christmas with those who are less fortunate.

Our school is working with the St. Vincent de Paul Society to help families in our parish who are struggling at Christmastime. We will do this by providing these families with QFC Scrip.

We are sending home a Scrip Order Form (see back) in case you would like to purchase scrip for these families in need. Please fill out the form and send it, along with your donation, to the school office.

Thank you in advance for your thoughtfulness.

Peace and blessings,

Rosemary Leifer
