WELCOME TO THE 2019-20 SCHOOL YEAR!

Dear WSS Families/Guardians,

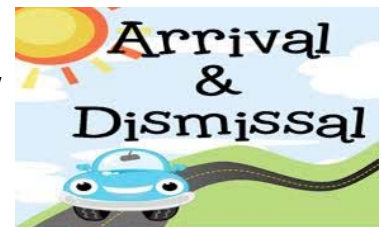

It is a pleasure to welcome everyone back for another school year with us! Whether it's your first year or last year with us, we look forward to providing the best educational experience for your children! Each month you will receive a parent newsletter and calendar to help guide/plan your year. You can also join our WSS family on TWITTER @LeRoyWSS. This way you will instantly receive updates, news, and keep you up to date on what's happening in school!

We have a few **NEW changes** to bring to your attention. The first change is our **rotating Special Schedule**. Instead of having a "set" special per day, they will rotate on an **A, B, C, D, E letter day**. **What does this mean?** Rather than missing a special because of a day off, students will have it when we return to school! **How does this effect you and your child?** Being prepared for PE will be a bit more tricky. We suggest keeping an old pair of sneakers at school if at all possible. This way, no matter what the schedule, your child is prepared. PLUS—our students go outside on most days during lunch and for recess. Appropriate footwear is a must—especially on the playground! Students will not be able to play on the playground with open toed shoes, flip flops, dress shoes, etc...as they are a big safety concern! Attached is a monthly calendar with our letter days. Keep this in a safe place for the month!

Another change for the new school year is our **Dismissal Procedures**. The majority of the change is happening within our building. See below for your dismissal process:

- Stanley Place Pick up - Exit Kindergarten Doors
- Trigon Place Pick up - Exit Trigon Main Entrance Doors
- Walkers (Grades 4-6) - Exit Trigon Main Entrance Doors
- Walkers (Grades K-3) - Exit Cafeteria Doors
- Walkers (siblings/friends in split buildings) - Exit Cafeteria Doors
- Bus Students—Exit WSS Main Entrance

PLEASE NOTE: STUDENTS WILL NOT BE HELD IN THE CAFETERIA; THEY WILL WALK OUT AS THEY ARE DROPPED OFF BY THEIR TEACHER!

Please note, you may not request any daily bus change requests unless it is an emergency situation and approved by administration. You can make changes 3 times a year:

Busing Date Range	Change Must Be Received By
September 4 th – November 1 st	Friday, July 19 th
November 4 th – March 6 th	Friday, October 25 th
March 9 th – June 24 th	Friday, February 28 th

To access our **Main Office**, please park in the designated spots in the **Stanley Place lot** and follow the sidewalk to the doors. **Do not use our bus parking area at any time throughout the day**. We need the area free and clear for emergency purposes! Thank you for all your help!
