

Sea World 2nd Grade Overnight Field Trip NOVEMBER UPDATE

Dates: March 12 – 13, 2020

Cost: Students \$175, Adults \$175

2nd grade students have the opportunity to experience their first overnight field trip with TVCS. They will have the excitement and adventure of sleeping in one of the animal encounters, interacting with many animals, and exploring the park after closing time! This year our classes will be sleeping in the Turtle Reef, Wild Arctic and Shark Encounter! 😊

The cost of the trip will include dinner, a hot breakfast, and students will receive a T-shirt. Students and parents will leave after school on the first day and return in the afternoon on the second day. **All participants must leave from TVCS together to go to the venue and return to TVCS together with our group the following day, as per school policy.**

Overnight field trips are optional and costs are paid for by the parents. Please note that the cost is per person. At this grade, one parent is welcome to attend with their child. **Parents wishing to attend must complete all requirements of the Volunteer Handbook & Application, including an Induction Meeting and Live Scan FBI & DOJ fingerprinting that must be received by TVCS Administration no later than January 15, 2020.** We recommend having it done ASAP as we have no control over when we will receive the results. If you already have results on file with TVCS, you do not need to have another scan. Participants will be expected to help supervise **ALL** children attending. Parents do not need to be an approved field trip driver in order to attend, just an approved volunteer.

Payment information:

November 20, 2019

- \$75 deposit due for students and chaperones (per person/non-refundable)
- Payments may be cash (exact change) or check (made out to TVCS) and paid to Julie in Room 3.

January 15, 2020

- \$100 balance due for students and chaperones (per person)
- Due date for all paperwork – permissions slips, medical forms, etc.
- **All requirements of the Volunteer Handbook & Application must be completed, including an Induction Meeting and Live Scan reports (FBI/DOJ) reports received by TVCS Administration**
- No refunds will be given after 1/15/20
