Head Secretary: Carla Griffith

Dear Parents/Guardians,

A proposal has been presented to the school board to change West Elementary to a German Dual Language Immersion only magnet school. You can find a copy of the full proposal by visiting <https://westelementary.tooeleschools.org/> or by picking one up in the front office. This proposal was created with great concern for what is best for our students, staff and school. However, if this change is approved, many students, parents, and staff will be asked to go through some very challenging transitions. I recognize that being asked to do so may cause pain and frustration. I also recognize that many may not agree that this proposal is what is best for students, staff, and/or the school. There will be a public forum for all to express any questions or opinions they have for or against this proposal on February 12, in the District Board Room. The public forum will begin at 6:00 pm. You are also welcome to ask questions or express opinions to Mr. Poole by email (cpoole@tooeleschools.org) or phone (435-833-1931). I will do my best to listen and answer, but cannot guarantee that those questions or opinions will be represented at the forum. I want to remind you that nothing has been approved, and this is still in proposal status. Faculty and staff have been instructed to respond to inquiries by referring parents to the proposal and to the open forum. I believe that this proposal will help in overcoming challenging barriers for students and faculty and will ultimately lead to improved student learning and achievement.

Thank you for your support,

A handwritten signature in black ink, appearing to read "Clint Poole", with a long horizontal flourish extending to the right.

Clint Poole
