

Each membership

\$5

JOIN PTO!

There's just a few days left to support your teacher, your child and your school through PTO memberships!

Participation Drive ends Wednesday, Sept. 19!

Help your child's class earn 100% participation and a popsicle party! The class with the most memberships will win a Sonic Slush party!

Who can join PTO?

Anyone! Parents, grandparents, family and community members!

What do I have to do?

Absolutely nothing! Your membership dues go straight back to the school to support school programs, technology, incentive programs, instructional aids, teacher requests and more! PTO loves parental involvement, but it's completely voluntary. As a member you have the opportunity to vote at PTO meetings and are showing your child that their education is important.

I have more than one child, do they all get credit?

Yes! List all of your children on the bottom of the envelope and each teacher will get credit for the memberships you purchase. You can buy as many as you'd like!

Get regular participation percentage updates on our "Bartlett Elementary PTO" Facebook page!
