RE: Winter Coat Donation

DATE: November 14, 2018

Dear Mr. Brady,

This past week, the Saint Regis Mohawk Tribe generously donated winter jackets to Title VI students enrolled in our school district.

Tribal Council reached out to me in the later part of September asking for a list of students who are Title VI eligible. I forwarded the request to guidance counselors, secretaries, and principals of each building in the district. The jackets are slowly being delivered and the first wave of jackets were delivered to Jefferson School November 9, 2018.

This donation will assist those families in need, ensuring the students are warm as the cold weather is moving in on us. As always, The Saint Regis Mohawk Tribe is working together today to build a better tomorrow.

Thank You,

Jodele Hammock

Title VI School Counselor Asst.

Coordinator of My Brother's Keeper Grant Native American Program.
