Dear Parent or Guardian:

We are pleased to inform you that Mt. Healthy City School District will continue participation in the National School Lunch and School Breakfast Programs called the **Community Eligibility Provision (CEP) for the 2018-2019 school year.**

All enrolled students listed in the schools below are eligible to receive a healthy **breakfast in the classroom and lunch meal, at no charge.** Your child(ren) will be able to participate in these meal programs without paying a fee or submitting a free and reduced price meal application. Please remind your student(s) to take and enjoy the breakfast and lunch meals provided.

- **North Elementary School**
- **South Elementary School**
- **Mt. Healthy Junior High School**
- **Mt. Healthy High School**

We are asking all households to complete both attached forms **(1) Household Information Survey** and **(2) Academic Fee Waiver Form** to determine eligibility for academic fee waiver, and/or various additional state and federal program benefits that your child(ren)'s school may qualify for, other than the school meal programs. Please return **ONLY one set of completed forms**, per household, to Karen Fields at the Mt. Healthy Treasurer's office.

**** IMPORTANT ** Effective July 1, 2017 fee waivers for previous school years will no longer be accepted or processed. Fees will only be waived for the current school year. Fee waiver forms must be completed each year and returned to the treasurer's office no later than April 15th. Fee waivers after this date will not be processed or accepted.**

Also enclosed, please find a flyer for **Healthy Start & Healthy Families.** Mt. Healthy School District strongly encourages student health and wellness. This information may benefit your household with free health coverage provided by Hamilton County Job and Family Services, not the Mt. Healthy School District.
