**ISTATION RESOURCES**

Each day at 10:00 am, Istation will be hosting live sessions and trainings on Facebook for parents and families to learn more about the program. Parents are also invited to check out their website: https://www.imaginelearning.com/at-home for additional support and resources!

If you have specific questions, IStation offers a customer care line that parents can use to get assistance: 1.866.457.8776. Our teachers are also available to help in any way they can!

**SENIOR CLASS MEETING**

Join us on the District Facebook for a special Live Senior Class Meeting tomorrow, March 27th from 12:00 noon – 1:00 pm. Superintendent Dr. Kevin Phillips will share information about graduation, senior projects, top 10%, and prom. Students and parents are encouraged to log in to ask questions and get updates.

**COMMUNITY UPDATES**

Thank all the faculty and staff that have worked to get technology in the hands of our students the past few days. We also want to thank all of our families who are working hard to continue instruction at home. We know that many parents are still working and navigating assignments in the evenings which can add stress to an already stressful situation. Please know that we are all in this together and we will get through it as a community. To share a few fun statistics with everyone, the following data shows how many students have logged onto the sites TODAY using distributed technologies. We look forward to seeing these numbers grow and continuing to provide support for our students and families in any way we can.

- Google Chromebooks: 1700
- Google Classroom: 1200
- Imagine Learning - Math: 253
- Education Galaxy: 84
- Accelerate Learning: 54
- Carnegie Learning: 35
