## STUDENT SAFETY KITS

Dear Rose Drive Families,

The Rose Drive PTA, in cooperation with the PYLUSD, is continuing its efforts to ensure the safety of our students in the event of an emergency during school hours. We are encouraging each family to supply their child’s teacher with an emergency kit. Emergency kits may be purchased from the PTA or they can be assembled at home.

The kit available for purchase includes a 3-day food and water supply, light stick, blanket, rain poncho, handy wipes and has a 5-year shelf life. The cost is \$14.00 per kit. To purchase, complete the order form below and include payment. Checks should be payable to Rose Drive PTA. All orders are due by Friday, September 13th. Purchased kits will be delivered directly to your student’s classroom.

Unopened/unused kits can be used for multiple years throughout elementary school. If you purchased a kit last year, simply update the teacher and class information and return it to school with your student for the current year.

If you choose to assemble a kit at home, please place the items below in a Ziploc bag, marked with your child’s name, teacher and the date. Please send it to school no later than Friday, September 13th.

- 2 individual-size bottles of water (no juice boxes)
- 2 individual-size cans of meat products (tuna, Spaghetti-O’s, etc)
- 1 small can of fruit and/or 1 serving of dried fruit, fruit roll, nuts, etc.
- 1 plastic spoon or fork and 1 disposable cup
- 1 large, plastic trash bag with a hole cut in the top center for the child’s head (worn for rain/cold protection)
- 1 light stick
- 5 handy wipes or individually packaged wipes
