

Annual Title 1 Notice

What does it mean to receive Title 1 funding?

The purpose of Title 1 funds is to provide all children significant opportunity to receive a fair, equitable and high-quality education. Schools with at least 47.2% of students who qualify for free/reduced lunch receive Title 1 funding. Currently, approximately 74% of our Waiāhole Elementary students qualify for free/reduced lunch.

How are the Title 1 funds used to support student achievement?

Based on school-wide data, we've identified Math, English Language Arts (ELA), and Science as focus areas. We will be using our Title 1 funds to provide professional development for our teachers in these areas, as well as to purchase resources for our classrooms. A portion of our Title 1 monies will also be used for Family Nights that extending learning from school to home.
