Goals

District Goals

1. Increase English Language Arts, Math, and Science skills K-12 as measured by district, state and national assessments.
2. Ensure that at the end of 3rd grade and each subsequent year, students will be reading at grade level.
3. Maintain 100% graduation.

School Goals

1. Maintain, review and adjust curriculum maps based on state assessment data.
2. Monitor and analyze all state and district data to assist in individualizing instruction for each student
3. Decision making process is data driven and utilize Professional Learning Communities (PLC)
4. Utilize well-researched professional and best practices
