### Rating Action: Moody's affirms Aa3 on Ogle County C.U.S.D. 226 (Byron), IL's GO bonds

---

31 Aug 2018

New York, August 31, 2018 -- Moody's Investors Service has affirmed at Aa3 the rating on Ogle County Community Unit School District 226 (Byron), IL's general obligation unlimited tax (GOULT) bonds. The district has \$25.1 million in GOULT debt outstanding.

#### RATINGS RATIONALE

The Aa3 rating reflects the district's low debt burden and strong reserve levels that should remain robust against risks associated with its high taxpayer concentration. Exelon Generation Company LLC's (Baa2 stable) Byron Nuclear Generating Station comprises nearly 77% of the district's tax base, and given the district's high reliance on local property taxes for operations and lack of room under levy rate caps, variation in the assessed value has a material impact on the district's operating revenues. However, the nuclear station has demonstrated a commitment to maintain operations and pay property taxes at levels that would not materially change the district's financial health. The rating also incorporates the district's contingent risk associated with the state's underfunded teacher retirement system.

#### RATING OUTLOOK

Outlooks are not generally assigned to local governments with this amount of debt.

#### FACTORS THAT COULD LEAD TO AN UPGRADE

-Diversification and expansion of tax base

#### FACTORS THAT COULD LEAD TO A DOWNGRADE

-Indications of pressure related to Exelon plant operations or appeals

-Large increases in debt or pension burden

-Decline in reserves

#### LEGAL SECURITY

Debt service on the district's GOULT is secured by the district's general obligation unlimited tax pledge, which benefits from a dedicated property tax levy without limitation as to rate or amount.

#### PROFILE

Ogle County CUSD 226 (Byron) serves roughly 7,500 residents and 1,500 students from elementary through high school in Byron, IL, located 15 miles south of Rockford (A2 negative) and 100 miles west of Chicago (Ba1 stable) in Ogle County.

#### METHODOLOGY

The principal methodology used in these ratings was US Local Government General Obligation Debt published in December 2016. Please see the Rating Methodologies page on [www.moody's.com](http://www.moody's.com) for a copy of this methodology.
