June 18, 2020

Dear Families:

As I reflect on the 2019-20 school year, I am extremely proud of your achievements and positive mindset. Despite the challenges we faced, we continued to prove our resiliency time and time again. This week brings this school year to a close. We made it and I thank you for a great school year.

While summer is a time to rest and relax, it’s important to keep working to ensure your child’s continued success. Flint Community Schools is proud to offer a virtual summer learning program for students in grades K-12. More information can be found on our social media pages and on the district website.

We encourage you to take advantage of the creative learning opportunities to keep your child engaged over the next few months. We are grateful for our partners who have helped develop this virtual summer learning program—Flint Community Schools Title I, Flint and Genesee YouthQuest, the Mott Foundation, 21st Century Community Learning Centers, Flint Community Education Initiative and the Crim Fitness Foundation.

I am also pleased to share that enrollment for the 2020-21 school year is now open. If you have younger children to enroll, or neighbors or loved ones who are seeking to enroll their child at Flint Community Schools, we are encouraging online enrollment and face-to-face enrollment by appointment only, Tuesday through Thursday. Contact 810-767-6158 to schedule an appointment.

Please note: we have a number of safety measures in place for face-to-face enrollment. We ask that you limit the number of people you bring to the appointment, wear a mask, and allow us to take your temperature upon arrival (must be below 100.4 degrees). You will also be required to complete a form to ensure you have not been exposed to COVID-19.

Our Return to School Committee is hard at work developing a plan for next school year to ensure the safe reopening of Flint Community Schools—whether in-person, online, or a combination of the two. Parents, Board members, administrators, and teachers are involved in the process to ensure we consider all aspects of a successful reopening. We will share those plans, as well as an updated 2020-21 school calendar, as soon as they are finalized.

It truly takes a whole community to support our children and we would not be successful without your commitment. Thank you for choosing Flint Community Schools as your partner in your child’s education.

Your partner in education,

Mrs. Anita J. Steward
Interim Superintendent
