

Student home login guide

Help your child use learning technology at home

Dear Families,

LISA Academy is using Clever as an easy way for your child to access all the LISA Academy learning applications with one click! LISA Academy continually looks for new ways to increase student engagement and has been offering many educational applications to its students.

We would love to partner with you to increase educational engagement at home by helping your child access their learning applications through Clever all year long. Please use the guidance below and help your child login to the LISA educational applications.

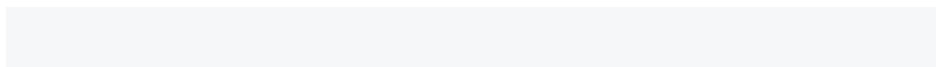

How can I help my child log in?

1 Go to our Clever Portal:

2 Log in using the info below:

Student username hint:

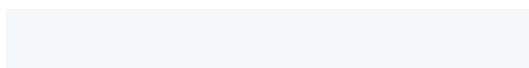

LISA Students use Clever on daily basis in their classrooms. Your students may assist you on login process.
