

Dear DMS Families,

Valentine's Day typically means numerous deliveries of flowers, balloons and/or gifts for students. While we encourage gifts to remain at home, to protect the integrity of the classroom and assure that gifts are damage free, DMS will be housing those deliveries in the front office until the end of the day. We will call students down to collect their items. Please remember that balloons, large arrangements, glass items and/or gifts are not allowed on busses. Any gifts, balloons or flowers that students bring to exchange at school may also be held in the front office.

Thank you for your understanding as we work to keep students and their property safe.
