

# Pearsall Intermediate

October 2018

*"Home of the incredible students and staff!"*

## Red Ribbon Week

## Outstanding Support!

## November is National Family Literacy Month

The online digital reading resource, myON, is a fantastic collection of thousands of enhanced digital books that can be accessed in school, at home, or anywhere in the community where you have Internet access!

With myON, your family can also download books for offline reading using free mobile apps. Students and families can access these digital books for individual reading, homework, research, and fun!

Families are encouraged to spend time together reading and learning with myON. The book reader allows students to select optional reading supports including audio narration, text highlighting and an embedded dictionary for any book they choose to read. myON includes fiction and nonfiction, with about 10% of the titles available in Spanish. Titles range from monsters and sports, to biographies and health, to help expand your child's imagination into the world of reading!
