ACADEMIC AND EDUCATIONAL ENRICHMENT CLUBS/ACTIVITIES:

ART CLUB

Students will learn methods of printmaking and graphic design. Topics covered will be screen printing and the creation of mock business cards, mock logos, and greeting card design. Students will work individually and in collaboration with each other. Students will work on week-long projects and will present them to each other every Friday in order to receive constructive feedback from each other and instructor. (M-F) Room 62/ Purple Tables Melissa (EE)

CODING CLUB—THE CUE

Are you interested in learning how to code. Cue is a witty, entertaining robot with four hero avatars & enhanced AI that takes personality, interactive communication, and programming to a new level. In addition, Sketch Kit is the latest accessory for Cue robots that enables kids to visualize the results from their code on a large canvas. Sketch Kit helps kids express their creativity and exercise their critical thinking and spatial reasoning skills as they draw geometric shapes, patterns, words, and more. (F) Room 63 Edgar (EE)
