Philip Salemi, Superintendent

Superintendent's Corner - June

Dear District 92½ Parents, Guardians, and Community Members:

It seems hard to believe that we are closing out the 2018-2019 school year! I appreciate the support you have all shown me in my second year. The progress we have made would not be possible if not for the hard work and partnership between the Board of Education, school staff, and parents. We will continue to strive for excellence. Next year we will be working on our five-year strategic plan along with a new vision statement. Stay tuned for information on how to get involved in helping to shape the future of District 92½.

I just wanted to remind you of some dates and valuable information regarding registration for the 2019-2020 school year.

Important Dates:

- Registration packets will be mailed on July 8
- Registration opens on July 10
- To receive the Early Bird Rate, registration must be completed by July 24, 4:00 p.m.
- Returning student registration deadline is July 31, 4:00 p.m.
- No registration will be accepted August 19-21

Important Reminders:

- New students may register starting July 10 in person at each building. It is recommended that parents/guardians make an appointment with the school secretary.
- All registration for returning students will be done exclusively ONLINE. Proof of residency must be uploaded; no paper copies will be permitted. Video tutorials to help guide you through the process are posted online.
- If you are going to use a vehicle registration as a proof of residence, you will have to show a driver's license with matching address.
- If you live with someone, you will need to upload residency documents for yourself and the homeowner/renter. Additionally, the homeowner/renter will need to complete and have notarized a Residency Attestation form that must be uploaded to each student's registration page. The homeowner/renter will not need to come to the school office.
- Teacher assignments and schedules will be distributed the week of August 12.
- All unpaid fees (i.e. registration, food service, activity, band) remaining from previous years must be paid in full in order to qualify for the Early Bird Rate.

I hope you all have a safe, healthy and enjoyable summer. If you should need anything, please reach out to me via email (psalemi@sd925.org) or by phone (708-670-1927). See you in August!

Sincerely,

Philip Salemi
Superintendent
