

November 26, 2018

Dear Parents,

The Vannie E. Cook Jr. Children's Cancer and Hematology Clinic grants permission to Fossum Middle School to hold a fundraiser on our behalf. As agreed upon with Fossum Middle School all funds will be donated to the Clinic. The doctors and staff are incredibly grateful for this support and partnership. We extend deepest gratitude for all items donated to our young patients. In-kind and monetary donations to the Clinic help support our patient programs and services.

As the only comprehensive pediatric oncology/hematology facility in the region, the Vannie Cook Clinic strives to provide excellence in patient care, cancer genetics, long term survivor clinic, psychosocial services and research. In almost fifteen years, thousands of critically ill children and their families have been served and not one has ever been denied care for inability to pay.

Should you have any questions regarding this sponsorship or donation, please contact me at the number or email below.

Thank you,

Victoria Martinez Guerra
Director of Development
832-828-1705
