

## Dartmouth Families,

Riverside County is beginning a construction project to resurface Dartmouth Street and Yale Street.

Improvements include sidewalk, curb, gutter, ADA ramps and asphalt repair.

The project will begin on December 10, 2018. Work will take place between the hours of 7am and 6pm,

Monday through Friday. The project is projected to take 16 weeks to complete.

Every effort will be made to keep driveways and businesses open. There will be “no parking” signs posted throughout the project. During construction it is asked that vehicles are not parked on the roadway, water doesn’t run on the roadway and no trash cans or debris can be in the roadway.

If you have questions, please reach out to the contractor, Hardy and Harper, Inc at (714) 444-1851 or Riverside County at (951) 955-6885.
