

Discounted Student Laptops configured for Rutherford County School Use

Dell, INC is allowing Rutherford County Students/Families to purchase student devices at a discounted price. Purchasing a student device is completely OPTIONAL as each core classroom at RSM will be 2:1 this school year. To receive this discount, use this link: <http://www.dell.com/RutherfordCountySchools>

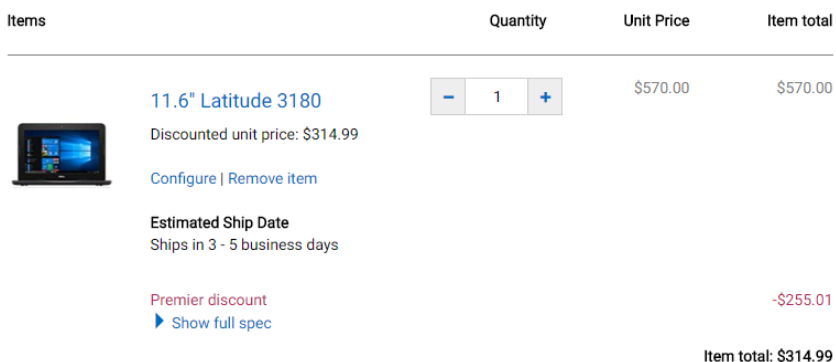

This link will welcome you as a Rutherford County member. Click on "Shop Your Standard Configuration."

Two models used at RSMS are the Latitude 3180 and Latitude 3189 touch. These are the discounted devices, however any device is bought for student use is welcomed by our school.

Once you add the laptop to your cart, you will see the discount provided.

Please make sure your laptop is clearly labeled with your student's name as RSM is not held liable for student devices purchased for personal use. Please let me know if you have any questions: smithapr@rcschools.net . Thank you!
