

# Concussion SYMPOSIUM

## *A 360 degree approach to concussion prevention, recognition, and management.*

Fusion Academy and Precision Sports Performance are teaming up to bring you a panel of experts to discuss the topic of youth concussions. This group of professionals, including former NFL player, Bart Oates, will discuss first-hand experience, cutting edge knowledge, and information on concussions in regard to prevention, diagnosis, and return to sports/school.

Each speaker brings their unique perspective and knowledge about concussions and prevention to the event. We hope to see you there!

**To save your seat for this free event, please visit [FusionMorristown.com](http://FusionMorristown.com).**

APRIL 4TH  
6:30 - 8:00 PM

Precision Sports Performance  
50 Williams Parkway, Unit D  
East Hanover, NJ 07936

## *About Our Speakers:*

### **Bart Oates:**

Our keynote speaker, a three-time Super Bowl Champion, and former center for the New York Giants and San Francisco 49ers. Oates will be talking about his own experiences with concussions.

### **Dr. Kulin:**

The CEO of Urgent Care Group and PSP's on-site concussion specialist. Dr. Kulin is also a board member of the NJ Council on Physical Fitness and Sports and is passionate about education in the prevention, recognition, and treatment of concussion.

### **Allan Parsells:**

The Head Athletic Trainer for Oratory Preparatory School in Summit, New Jersey. He holds the ImPACT Trained Athletic Trainer (ITAT) certification and is also an Adjunct Faculty Member in Seton Hall University's School of Health and Sciences Master of Science in Athletic Training Program.

### **Dr. Jill Brooks:**

A clinical neuropsychologist who maintains the private practice Head to Head Consultants. Dr. Brooks has authored numerous articles and book chapters in the areas of neurogenic speech and language disorders, executive dysfunction, and concussion in sports.

### **Jenn Robinson:**

Our Fusion District VP and former Head of School at our Fusion Dallas Campus.

### **Andrew Moore:**

Andrew holds an undergraduate degree in Exercise Science from the University of Delaware and a Masters Degree in Sport and Exercise Studies from William Paterson University. He is a Certified Strength and Conditioning Specialist and a Certified Sports Performance coach. In addition, he serves as a member of the New Jersey National Strength and Conditioning Association Advisory Board.

### **Jesse Sattler:**

Jesse received his Doctor of Physical Therapy degree from Rutgers University. He is currently an adjunct professor at Rutgers University where he teaches courses in Musculoskeletal/Orthopedic Physical Therapy, Kinesiology, Applied Physiology, and Advanced Examination Techniques. He also holds certifications in strength and conditioning, and has experience working with athletes of all sports and age demographics.
