

Philip Salemi, Superintendent

Superintendent's Corner - March

Dear District 92½ Parents, Guardians, and Community Members:

As I write this Superintendent's Corner, I genuinely hope that the worst of the weather is behind us. I look forward to the day when we can start seeing students fill up our fields for Physical Education and other outdoor activities. I want to remind everyone that we are making up our snow day from November 26th on Monday, March 4th (Pulaski Day). All classes will be in session. Please mark your calendars.

I enjoy this time of the year because we really start to show off the many talented students we have. Whether it is in an assembly, in a classroom, or on a sports field, our students are truly exceptional. One event that is coming up showcasing our students is the annual WMS Fine Arts Festival on Saturday, March 9th. Some of our students' best work will be on display. Please try to make it if you can. Seventh grader Anna Galvan created this year's poster.

I want to extend an invitation to all parents and community members to attend our State of the District presentation on Thursday, March 7th, at 6:00 p.m. in the WMS cafeteria. School Administrators, District Administrators and I will be sharing information and updates on our Strategic Plan, facilities, budget, technology, and our most recent school data to the Board of Education and the public. We hope that you can join us. We will be posting the entire State of the District to our District website in case you cannot attend.

I hope you have a great March and a wonderful Spring Break. We look forward to seeing you at our events in the spring. As always, continue to look for updates via our District website (<https://www.sd925.org/>) and our Facebook page. If you have any questions or concerns, feel free to email me at psalemi@sd925.org or call 708-670-1927.

Sincerely,

Philip Salemi
Superintendent
