

Are you a **Student** looking for a hands-on interactive experience?

**FUN. FRIENDS. FLIGHT.**

## Overnight Camps

Entering Grades 7, 8, and 9:

June 21-26 / June 28-July 3 /

July 5-10

Grades 7 • 8 • 9

# AN EDUCATION IN ADVENTURE

Air Camp students, regardless of where they come from, become eligible to apply for our Cary Gum Scholarship.

### Highlights of the Air Camp adventure include:

- Demonstrating an understanding of the science, technology, engineering, and math of aviation and aeronautics while discovering general logistics and operations
- Taking flight ground school at Sinclair College and piloting a plane at Dayton-Wright Brothers Airport
- Engaging in fire and rescue learning modules at Wright Patterson Air Force Base
- Demonstrating a curiosity about and a commitment to scholarship under the direction of aviation engineers, pilots, mechanics, UAS manufacturers, and many others
- Experiencing hands-on encounters at the National Museum of the United States Air Force, The Boonshoft Museum of Discovery, Dayton International Airport, and more
- Executing leadership skills through team engineering design challenges
- Integrating citizenship skills by designing and participating in a service initiative

### Overnight Camps
