## Memphis Radio Station Hosts LMES

*Audience: All*

One of the most impressive events of the year is about to take place at LaGrange-Moscow Elementary on May 15th-17th and word is getting out! The Extraordinary Shake utilizes stakeholders from every aspect of the community and beyond to judge fourth and fifth grade students on poise, character, and their ability to communicate effectively. Rossville Mayor Judy Watters, who has taken part in years past, arranged a live interview for event organizer Christina Warren and last year's winner Kevin McNamee on KWAM to promote the upcoming event. All stakeholders supporting our students and programs is what makes them thrive. Thanks, community, for believing and CHOOSING US!
