

Dear Students and Parents,

As you are already aware District 218 has migrated to E-Learning days in order to provide for the safety of our students while at the same time providing continued educational guidance. In addition to being able to complete credit recovery courses through ALS, teachers will be providing continued learning for students through two main learning management systems. The two systems that Community High School District 218 uses on a regular basis are iTunes University and Google Classroom.

It is likely that students are already enrolled and aware of how to navigate and retrieve assignments provided by teachers. However, in order to provide a smooth transition to e-learning a key has been provided for teachers that have reported which LMS they are using as well as a class code if applicable.

While some classes may already have material posted, not all classes will have assignments already listed. Each day scheduled for E-Learning log in and make sure you are current on what has been posted in your classes. New posts are required to be done by no later than 9:00 AM on the assigned date. If you do not see a teacher listed below it is because their rosters are already completely verified, or they have reached out to students in another way. Please if you have any questions e-mail each teacher directly.

Teacher	Course/Period	Learning Management System (LMS)	Class Code
Mr. Weber	English 2 Period 5	Google Classroom	mgqxykz
	English 2 Period 6	Google Classroom	ynjypc2
Mr. Matt	Period 1	Google Classroom	oatyglq
	Period 2	Google Classroom	toev5rj
	Period 3	Google Classroom	q2b6oz4
	Period 4	Google Classroom	qg2bh6b
	Period 5	Google Classroom	tmkyjqj

Ms. Kaczmarek	Periods 1 & 2	Google Classroom	cmx43mo
