

Chemistry Summer 2018 Mr. Usami

- Textbook: World of Chemistry, Zumdahl, McDougal Littell
Prerequisites: Successful completion of both Algebra and Biology with a grade of "C" or better
Dates: Semester 1: June 25 – July 13 (Fri, July 13 is July 4th make up day)
Semester 2: July 16 – August 2
Time: 8:00 a.m. – 1:00 p.m.
Days: Monday thru Thursday
Location: H202
Bring: A scientific calculator (TI-30XIIS preferred)
Cost: Full Time Students: \$775 full course; \$400 one semester
CCPSP Students: \$875 full course; \$450 one semester
Payment: Deposit of \$100 due by June 12; balance by June 22

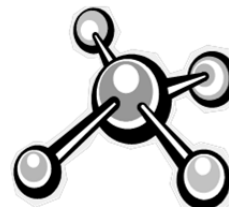

Earn high school credit for Chemistry this summer in an accelerated course. We'll be covering these topics: matter, elements, atoms, ions, measurements and calculations, chemical composition, introduction to reactions, reactions in aqueous solutions, chemical quantities, energy, modern atomic theory, chemical bonding, gases, liquids and solids, solutions, acids and bases, and equilibrium.

Grades and credit for the course will be submitted to the school when full payment for the course has been received.

Note: This course has a maximum enrollment of 30, so enroll early!
(Course is being offered subject to a minimum enrollment as well.)

Mr. Usami may be contacted at brandon.usami@calvaryschools.org

Make your check **payable to Brandon Usami** and return with the enrollment form to the high school office by Friday, June 8, 2018.

CCS Summer School Policy

- CCS 2018-2019 Enrollment **must** be completed before consideration for summer school.
- CCS 2018-2019 Full Summer School course payment is required by the end of the first week, *or you will be dropped from this course.*

(Please cut here and return bottom portion to the High School Office)
