Re: Henry's Candy Fundraiser

Due to Governor Cuomo's mandate for closure of non-essential businesses, the distribution company responsible for delivering Henry's candy has temporarily ceased operations. The PTSO fundraiser candy will NOT be delivered on Thursday, March 26 as originally planned and will not until this mandate has been lifted. We will get word out as soon as any change occurs that allows us to move forward.

Thank you for supporting us, and be safe.
