Non-Discrimination Statement

Hampton District One does not discriminate on the basis on race, sex, color, religion, national origin, age, disability, or veteran status in the provision of education opportunities and benefits in compliance with Title VI and VII of the Civil Rights Act of 1964, Title IX of the Educational Amendments of 1972, Section 504 of the Rehabilitation Act of 1973, the employment provisions (Title I) of the Americans With Disabilities Act of 1990, Age Discrimination and Employment Act, and all other applicable civil rights laws.

Hampton One Teachers Participating in Ongoing Standards-Based Professional Learning

To support teachers in their understanding and ability to teach the SC College and Career Ready Standards and SC Academic Standards, Hampton One is implementing a series of professional learning by grade level. This professional learning involved Phase 1 during the fall semester and will involve Phase 2 beginning this week. The professional learning looks slightly different for elementary, middle, and high school grade-level teams. The professional learning includes unpacking the standards for core areas. In addition, some teachers will be updating course syllabi, creating model lessons, or generating appropriate assessments. Classroom teachers involved in these phases will receive a stipend for their participation and development of resources as the intended outcomes of this professional support. This professional learning series is sponsored by Rural Recruitment Provsio 1A.59 funding. **Mrs. Rhonda Willis**, Curriculum Coordinator Director for Hampton One, is overseeing this professional learning with assistance from **Mrs. Kakela O'Banner-Robinson**, Personnel Director for Hampton One / Middle School Curriculum Coordinator, and **Mrs. Kristy Wood**, Principal of Brunson Elementary / Elementary Curriculum Coordinator.

Digital Literacy at Home

Whether school is out for break, or closed due to inclement weather, students can still log in to Learning.com from home. This is a great way to help prepare them with the digital literacy skills they'll need during the second half of the school year. Learning .com is available to Hampton One students in grades K - 8. To login into Learning.com, visit the Hampton One website at www.hampton1.org and click on the blue square with the white letter C. If your child does not know his / her Clever login, that information can be retrieved form the student's teacher.

School Board Recognition

January is School Board Recognition month. Thanks to the Hampton One School Board members for their dedication and service to the students, staff, and community of Hampton One.
