

2019 CHIPS Leadership Retreat

Audience: All

Once again, the Fayette County Public Schools' district leadership team gathered at Pickwick Landing State Park for the 6th Annual CHIPS Leadership Retreat. This marks a time for all leaders to reflect on the leadership lessons learned during the year, refresh and rejuvenate each other through team building activities, and regroup for the upcoming year. Several partner and team accountability events added an element of friendly competition. This yearly retreat is one experience that all leaders anticipate attending, walking away richer in knowledge and deeper in friendships.
