BLHS Counseling

Welcome to the 2019-2020 school year! We are so excited to start off another year at BLHS and look forward to meeting with our students and their parents! Counseling services address students' needs in the areas of personal/social, academic, and career development. These services include, but are not limited to, individual counseling, classroom guidance, academic conferences, career exploration, and responsive services. Parents and/or staff may refer a student for services, and students will have access to our services through a Request to See Counselor form located on the school's website.

Schedule Changes

Changes to schedules will only be made in the cases of administrative error or academic misplacement as determined by BLHS Faculty and Administration. Course commitment sheets were signed during the IGP meetings held last year. Schedule changes will only be considered if the schedule contains a class already taken and passed, a missed pre-requisite, two classes scheduled at the same time, duplicate class, open gap, or missing a graduation requirement.

SENIOR SECTION

On **September 12th**, we will be hosting our annual Senior Night. During our presentation we will discuss senior IGPs, graduation requirements, post-graduation options, the college application process, NCAA sports eligibility, upcoming senior events, FAFSA, scholarships, and more!

On **September 11th**, BLHS will be hosting Ed Op day. Students will have the opportunity to walk around to different tables to meet representatives from colleges to learn more about their programs, opportunities, and how to apply.

On **October 24th**, BLHS will participate in College Application Day. Make sure to stop by the Counseling Office in the beginning of October to sign up for a time. Students will have the opportunity to have college representatives help complete applications, with several colleges waiving the regular application fee for that day.

Please make sure to stay connected with the BLHS Counseling so you can find out more information on all senior events, scholarships, and other opportunities

IMPORTANT DATES

September 11
Ed Op Day

September 12
Senior Night (6pm-8pm)

September 18
