The undersigned hereby agrees to comply with the following legal requirements:

- The records of each child participating in a nonpublic home-based educational program shall be maintained on a permanent basis by the parent in charge and in control of said program. The records shall include, but need not be limited to, attendance data, test and evaluation results, and immunization records, as required by sections 25-4-901, 25-4-902, and 25-4-903, C.R.S. Such records shall be produced to the school district that received the notification required by paragraph (e) of this subsection (3) upon fourteen days' written notice if the superintendent of said school district has probable cause to believe that said program is not in compliance with the guidelines established in 22.33.104.5 (3).*
- Each child participating in a nonpublic home-based educational program shall be evaluated when such child reaches grades three, five, seven, nine, and eleven. Each child shall be given a nationally standardized achievement test to evaluate the child's academic progress or a **qualified person** shall evaluate the child's academic progress. The test or evaluation results, whichever is appropriate, shall be submitted to the school district that received the notification required by paragraph (e) of this subsection (3) or an independent or parochial school within the state of Colorado. If the test or evaluation results are submitted to an independent or parochial school, the name of such school shall be provided to the school district that received the notification required by paragraph (e) of this subsection (3). The purpose of such tests or evaluations shall be to evaluate the educational progress of each child.**
- A child who is participating in a nonpublic home-based educational program shall have the same rights as a student enrolled in a public school of the school district in which the child resides or is enrolled and may participate on an equal basis in any extracurricular or interscholastic activity offered by a public school or offered by a private school, at the private school's discretion, as provided in section 22-32-116.5 and is subject to the same rules of any interscholastic organization or association of which the student's school of participation is a member.*
- Any child who is habitually truant, as defined in section 22-33-102 (3.5), at any time during the last six months that the child attended school before proposed enrollment in a nonpublic home-based educational program may not be enrolled in the program unless the child's parents first submit a written description of the curricula to be used in the program.*

I hereby affirm that the information above is true and correct.
