We will be doing everything from Chinese New Year lanterns, I Spy mats, Groundhog Poppups, Presidential masks, 100th day crowns

(for our 100th day celebration) to lots of Valentines day projects. We will also be preparing for our "Friendship Party" that will be held on February 13th.

Keep an eye out for our flyer to be posted with all the details.

Please check our backpack/coat area , we have lots of lost sweaters and jackets.

Welcome February,

The Weather is starting to change and Phil the ground hog will have to decide on February 2nd, if there will be six more weeks of winter or is spring coming.

The students will be making a 3D heart project and Chinese lanterns that will be hanging around the room.

Let’s not forget about our Presidents George Washington and Abraham Lincoln.

Our Kindergarten and First graders will be making hats, so watch out for all those little Washington’s and Lincoln’s walking around.

Let’s celebrate this mon with all our loved ones!
