Apreciados Padres o Guardian:

En un esfuerzo para asegurarnos que todos los estudiantes en la escuela Team Success Charter School están provistos de la más alta calidad de educación a través de maestros efectivos y con destrezas, nosotros estamos continuamente trabajando para asegurarnos que todos los maestros con las principales materias logren la definición de "Altamente Cualificado" bajo el Que Ningún Niño Se quede Atrás conocido como la Acta NCLB Act. Principales materias académicas incluyendo Inglés, Lectura, Artes del Lenguaje, matemáticas, cívico/gobierno, economía, geografía, historia, ciencia, idiomas extranjeros, y las artes. Para que un maestro logre la definición de "Altamente Cualificado," él/ella tiene que tener un grado de Bachiller o más alto, y tener una certificación del Estado, y demostrar conocimientos de las materias académicas que enseñan.

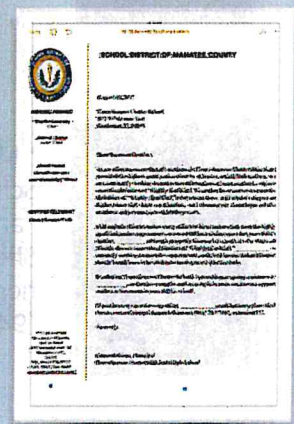

Aunque el Distrito hace todo esfuerzo de reclutar maestros que reúnan el NCLB exigencia maestro altamente cualificados, nosotros nos gustaría informarle que el maestro de su niño/a, \_\_\_\_\_ aunque tiene la licencia apropiada para enseñar en el Estado de Florida, no ha logrado la definición de "Altamente Cualificado". Ariel Barnes está actualmente trabajando para obtener los requisitos, y el Distrito Escolar de Manatee tiene la completa confianza en su habilidad de enseñarle a su niño efectivamente.

En adición, la escuela Team Success Charter School le está proporcionando asistencia a \_\_\_\_\_ para que continúe apoyando el aprovechamiento del estudiante en la escuela de su niño.

Si usted tiene alguna pregunta con relación a las calificaciones de \_\_\_\_\_ por favor de sentirse libre de contactar el Principal Armando Vioja al (941) 714-7260, ext. 152.

Sinceramente,

Armando Vioja, Principal  
Team Success Charter Middle & High School

This is the sample letter that we send our parents that includes teachers who are "out of field", not highly qualified, and either working on their Reading endorsements or their ESOL endorsements. All our teachers are being supported by the administration with the end goal of them acquiring all the required certification. Letters are sent home in English and in Spanish. Please feel free to come to the Middle School & High School office if you have any questions, comments, and/or concerns.
